

Netflix Stock Profile

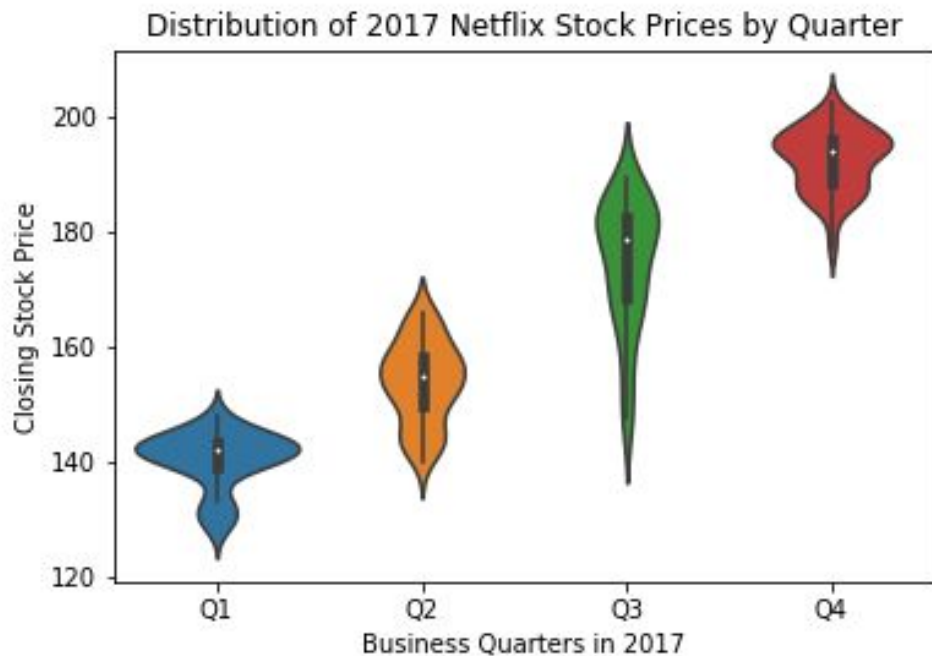

About Me

- I am a data visualization developer at Yahoo Finance!
- For this project, I retrieved and visualized data from the last four quarters

Overview

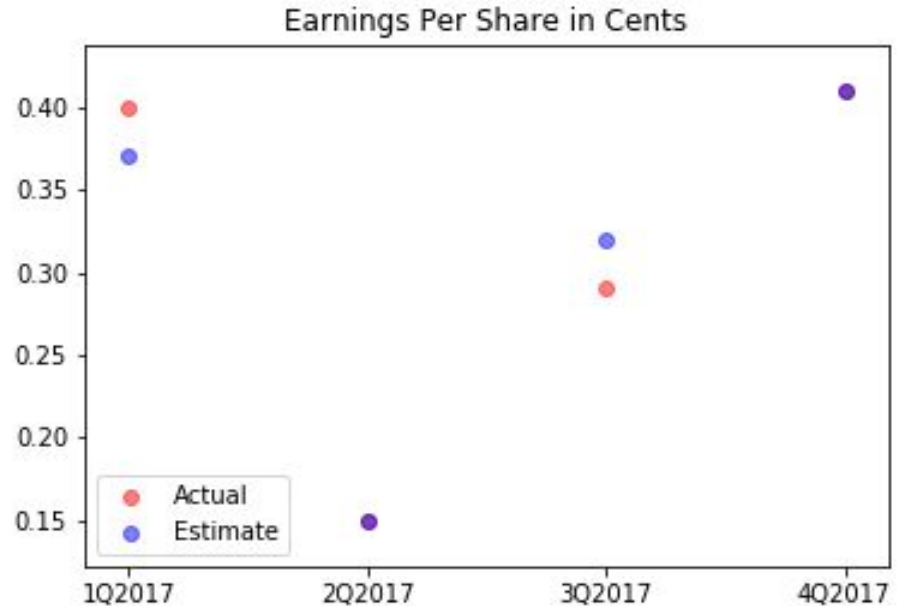

- 1 Stock prices for Netflix in 2017
- 2 Netflix stock and revenue for the past four quarters
- 3 Earned versus actual earnings per share
- 4 Netflix stock against the Dow Jones stock in 2017

Stock Prices in 2017

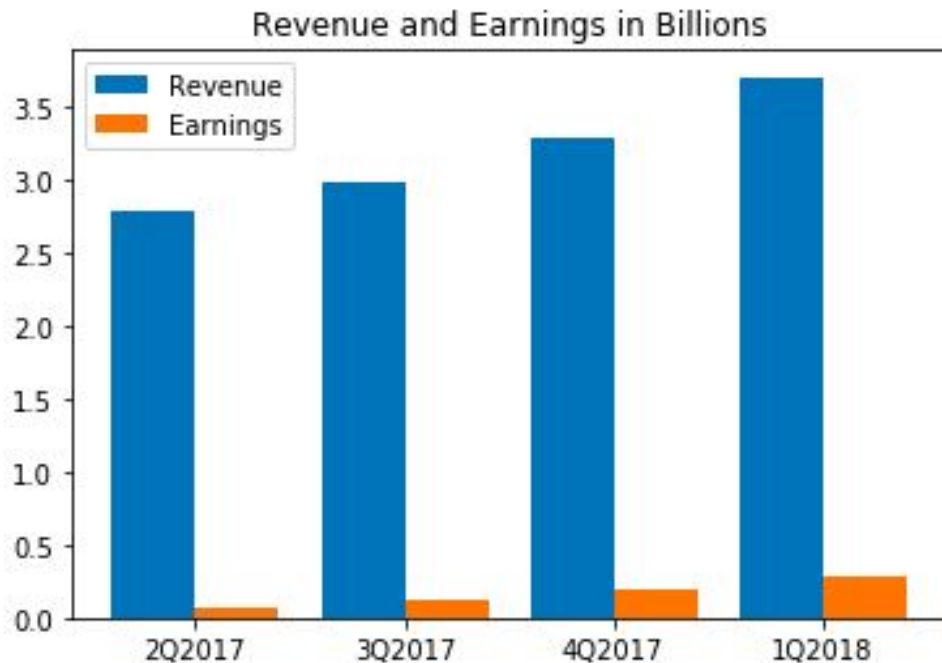

Stock & Revenue Past 4 Quarters

The estimates for the earnings per share were fairly accurate for all quarters.

Earned vs Actual Earnings

The visualization on the right shows that both the revenue and earnings per share steadily increased over time.

Netflix vs Dow Jones

Netflix stock price generally followed the trend of the overall market but was more volatile.
